

LET'S CODE, SCHULTZ

We will be introducing a coding club this year at Schultz.

Our club will meet in the Science Lab on Wednesdays from 3:30-4:50 beginning October 5th!

- It is important that your student can attend each meeting
 - Coding club is for 3rd, 4th, and 5th graders.
- We will have an "Hour of Code" in December during school
 - There will be a KISD CODE expo in the spring.
- Your student must have a conduct grade of S or E on his/her report card to remain in coding club.

Yes! I want to learn to code!
